In order for your child(ren) to be considered enrolled for the 2021-22 school year, you must complete and turn in the back side of this form - along with any outstanding forms or fees; the annual registration fee; and the summer deposit, if applicable. Registration for continuing or returning families begins January 18, 2021. The non-refundable registration fee is \$125 for the first child and \$50 for each additional sibling in the immediate family. This is an annual fee that is not a portion of tuition. Availability of days is contingent upon enrollment. See Admission Agreement and Parent Handbook for more information.

3's, room 17 or 18, depending on schedule; class limit of twelve 2- & 3-year-old children per morning. Pre-K (4's & 5's), room 10; class limit of twelve pre-K children per morning.

When signing a child up for Summer Session, the full deposit will be required for each child. Deposit credits will NOT be given after May 31. We cannot afford to give vacation credits this year. The deposit is the first installment of your child's summer tuition. The remaining balance is due on the child's first day of Summer Session and is late on July 16. Late charges and two-week notices are in effect. No vacation credits will be allowed. The chart below lists the full tuition and the installment amounts due. Siblings will be in class together, regardless of age for the summer only. The 10% Sibling Discount will be taken off the balance due in July.
